

FLAG Abroad in France

Immerse yourself in the land of exquisite cuisine, fashion, iconic films, and breathtaking architecture.

2025-2026 FRANCE PROGRAM

EXCHANGE DETAILS

French is the universal language of cuisine, fashion, cinema, and architecture. During the exchange program in France, students will develop their skills in this important world language while experiencing all that France has to offer.

Students will participate in an orientation in Montpellier before their program begins. However, students placed in more distant regions of the country may receive a localized orientation near their host family.

ABOUT FLAG

Since 1989, Foreign Links Around the Globe (FLAG) has been a leader in student exchange programs. Designated by the U.S. State Department as an official sponsor, FLAG facilitates the exchange of students from over 25 countries who come to the U.S. to live and study.

Additionally, we provide American students with opportunities to study in Europe and Asia. At FLAG, we focus on individuals, valuing names and faces over numbers.

This program is especially designed for high school students between the ages of 14 and 19 years with a strong academic record and basic French communication skills. Students who are at least 15 years old and need additional French practice may sign up for a pre-program language class in Montpellier for an additional fee. Students with a United States passport will not be required to obtain a French visa for the Fall Trimester program. All other programs will require both a United States passport and French visa. The program does not include airfare and other related costs.
